

Study agreement for participation in the junior study programme

winter semester _____ / _____ summer semester _____

Faculty: Engineering and Natural Sciences Economics, Information Technology, Law

Pupils who are interested in studying and who, according to a mutually agreed assessment by the school and the university, show special talents, can be registered as junior students at the Technical University of Applied Sciences Wildau circumventing the regulations on registration pursuant to Section 9 (7) of the Brandenburg Law on Higher Education. The study agreement is drawn up in accordance with Section 6 (1) in conjunction with Section 8 of the Regulations for Junior Studies at Technical University of Applied Sciences Wildau. As a result, junior students have the right to complete modules, to study and take examinations and to gain credit points. The study and examination achievements demonstrated as well as credit points will be recognised upon application for a later degree programme according to subject equivalence. Further information can be found in the regulations for junior studies at the Technical University of Applied Sciences Wildau (Official Communications 8/2016 dated 12/06/2016).

1. The study agreement is concluded for the above-mentioned semester between the pupil _____ and the Technical University of Applied Sciences Wildau, represented by Mr/Ms _____, degree programme director of the bachelor's programme _____.

2. The subject-specific and personal supervision is provided by Mr/Ms _____.

3. Mr/Ms _____ will participate in the following module(s) during this time (max. 6 credit points (LP) per semester).
