Junior Controller (m/f/d) - Hybrid Option GER

	LOCATION Berlin, DE
	COMPANY BASF Services Europe GmbH
	JOB FIELD Finance, Controlling & Audit
	JOB CONDITIONS Temporary
	JOB ID 87044

At Supplier and Reporting, we don't just see numbers, we see solutions. We stand for high-quality purchasing and financial processes: from purchase-to-pay processes and book-to-reports to our business and financial reporting. To achieve this, we not only handle our processes efficiently and accurately, but also focus specifically on modern solutions for designing future-oriented financial processes and satisfied customers.

RESPONSIBILITIES

Are you a passionate and motivated person? Then join our Business Reporting team as a Junior Controller. This position offers you the opportunity to develop your skills in the areas of Cost Center Accounting, Cost Charging, Product Costing, Project Accounting or Reporting.

- Embark on Financial Analysis: Engage in management accounting activities to provide strategic financial insights and support informed decision-making.
- We like it well-founded: Collaborate with controlling units to enhance dashboards and craft impactful business intelligence solutions for strategic decision-making.
- You help to get things moving: Extract and prep SAP Business Warehouse data, ensuring accuracy to provide reliable insights.
- Achieve more together: Bring expertise to defined areas of competence, supporting internal and global projects.

(Junior) Procurement Specialist with French (m/f/d) - Hybrid Option GER

	LOCATION Berlin, DE
	COMPANY BASF Services Europe GmbH
	JOB FIELD Logistics & Supply Chain Management
	JOB CONDITIONS Temporary
	JOB ID 106020

JOIN THE TEAM

At Supplier and Reporting, we don't just see numbers, we see solutions. We stand for high-quality purchasing and financial processes: from purchase-to-pay processes and book-to-reports to our business and financial reporting. To achieve this, we not only handle our processes efficiently and accurately, but also focus specifically on modern solutions for designing future-oriented financial processes and satisfied customers.

RESPONSIBILITIES

Join us with your own ideas and help us shape our processes as well as further development of our services! As (Junior) Procurement Specialist with French and English, you are responsible for all operational purchasing activities. In detail, you ensure that our BASF companies in Europe are supplied with raw materials, technical goods and services.

- You play an active role: you implement and adhere to the company's procurement guidelines by conducting numerous Purchase-to-Pay process tasks.
- In collaboration and consultation with our internal business partners, you handle orders accordingly to the guidelines.
- Assuring timely deliveries and handling non-conformities are part of your daily tasks.

- We love new things: Identify process, report, and system enhancement opportunities; drive harmonization and automation.

QUALIFICATIONS

- successfully completed studies in the field of business & economics or able to think outside the box with high willingness to learn
- first professional experience in accounting or controlling, e.g. in the context of internships
- strong IT affinity and interest in digitalization; ideally initial experience with business intelligence applications, databases, SAP R/3, FI and CO or SAP S/4 HANA
- fluent communication skills in English, other European languages are an advantage

BENEFITS

- 30 days of paid vacation, special leave and sabbatical options.
- Work mobile from other EU countries for up to six weeks.
- Location-independent work models with defined days of presence in Berlin and place of residence in Germany.
- Gross annual salary (full-time): 39.000 - 44.000 €, depending on qualifications and professional experience. In addition, you can expect a bonus dependent on the company's success as well as individual performance.
- Flexible working hours so that you can organize your working and private life according to your needs.
